This Solemnity happens to land on a Sunday and so is celebrated as the main focus of this Sunday's liturgy. What can we learn from these two pioneers of the Body of Christ? Well first, they reflect the community of the Trinity. Though they play different roles, Peter as chief shepherd and Paul as chief evangelist to the gentiles, they work together (and fight together) to establish good foundations on which later popes and evangelists will minister for the unity and growth of the Church. They work to complement each other, honouring their gifts they both offer. May we all, disciples of Jesus, do the same.

The Pope's Prayer Intentions for July 2025
For formation in discernment

Let us pray that we might again learn how to discern, to know how to choose paths of life, and reject everything that leads us away from Christ and the Gospel.
